## 110mm Tamper Evident Closures

For Pharmaceutical & Food Applications

*Easy Peel Tabbed*

The latest addition to the C&C line up of tamper evident closures is the 110mm closure. Utilising the most advanced tamper evident design to offer ease of opening with a tear-away tab.

- Tabbed tear-away for superior and simple opening for consumers
- Increased band strength for improved performance in application, reduced scrap and machine down time
- Clean premium polished finish
- Unique interrupted thread finish to reduce application torque and also reduce closure back off
- Available with EPE foam and/or induction foil liners
